**Career Objective:**

To be a key component in a construction company's expansion into the Healthcare Industry, by not only performing my duties as a Superintendent, but by also providing training to assistant superintendents.

***Professional Experience:***

**2000- Present**

**Superintendent, Suffolk Construction Co., Inc.**

Various types of renovation and new construction within the Healthcare Division.

Duties performed:

- Provide direction, coordination and supervision to subcontractors.
- Maintain the schedules of simultaneous projects in order to insure their timely completion.
- Train staff to understand and work within the unique aspects of the healthcare industry.
- Perform document review and create project schedules.
- Generate daily work progress reports.
- Coordinate multiple projects run by different superintendents.
- Created the curriculum for and instructed a plan reading course for Career Start employees.

**1990- 2000**

**Superintendent and Assistant Superintendent, Walsh Bros. Construction Co., Inc.**

All types of construction including, but not limited to, commercial projects.

Responsibilities handled:

- Organized and conducted project Foreman meetings.
- Provided direction to subcontractors for the execution of their contract work.
- Coordinated and supervised subcontractors in order to maintain the quality of their work.
- Maintained the schedule in order to insure the timely completion of the project.

***Educational Background:***

- Bachelor Degree Boston University Civil Engineering 3.75GPA 1990
- City of Boston ABC Builder's License, Unrestricted
- State of Massachusetts Construction Supervisor's License, Unrestricted
- Healthcare Construction Certificate, American Society for Healthcare Engineering (ASHE)

**Professional Skills:**

- Able to cultivate strong relationships with customers and clients through quality communication and integrity.
  - Able to bring projects in on time and under budget.
  - Exemplary record for job safety.
- A list of projects and, or professional and personal references available upon request.*
